Bailment: - will remain at \$.90. Bailment surcharge: at \$.80. **The markup multiplier will change from 1.817330 to 1.775870. The State excise tax was reduced from 28% to 25%.** This change will be applied to ALL items in the database Effective February 1, 2002. It is the supplier/distiller responsibility to check each product during November 1 through November 27 to see if the shelf price needs to be adjusted.

The 2001-02 Budget Bill approved by the North Carolina General Assembly includes the Education Revenue Act, which imposes a six per cent (6%) state sales tax on retail spirituous liquor sold on or after December 1, 2001. This tax does not apply to mixed beverage sales.

The sales tax will be *in addition* to the uniform prices the Commission publishes.
