Administrator Agnes C. Stevens stated on November 15, 2018, the Greensboro ABC Board requested approval from the NC Alcoholic Control Commission to purchase property to open and operate an ABC Store at 4411 West Wendover Avenue in Greensboro, North Carolina. Ms. Stevens stated Audit Investigator Edwin Strickland provided the investigation report with information from the Greensboro ABC Board General Manager, Vickee' Armstrong.

Ms. Stevens explained the proposed store will replace an existing store located approximately .3 miles away. The new store will be located on a major thoroughfare and would be owned by the Greensboro

ABC Board rather than leased. If approved, the store would tentatively open on March 1, 2019. Ms. Stevens stated the property was zoned CD-CH and allows for an ABC Store.

Ms. Stevens stated the property is owned by Silverbrook, Inc. of 9000 Winged Bourne in Charlotte, North Carolina. Ms. Stevens added there are no personal or financial interests shared between the property owner and the Greensboro ABC Board members. Financial disclosure forms have been provided by the Board members.

Ms. Stevens stated the nearest school, Shining Light Academy, located at 4530 West Wendover Avenue is approximately .9 miles away. Ms. Stevens stated the nearest church, Shining Light Baptist Church, is also located at 4530 West Wendover Avenue approximately .9 miles away.

Ms. Stevens stated the notice to the public was properly posted at the location on November 20, 2018 and witnessed by Mr. Strickland on that same date. Ms. Stevens stated the Greensboro ABC Board had received three telephone calls regarding the proposed store. One call was in favor of the location and two were in objection. The objections were related to the store being located near a family area, too close to the highway, and not good for families.

Ms. Stevens stated staff recommended approval of the proposed location.

Chairman Guy recognized Mike Fox, attorney for the Greensboro ABC Board. Mr. Fox thanked the ABC Commission for considering the location. Mr. Fox stated the Board believes the proposed location is a tremendous opportunity for the Board as it will move the location from a side street to a main avenue. Mr. Fox explained the store was a former Fuddrucker's restaurant and is located in a highly trafficked and commercial area including a nearby Chick-Fil-A and a Walmart. Mr. Fox stated the new store will be more convenient for its customers as the old location was located approximately one-third of a mile behind it on a side street. Mrs. Metz explained an exemption is necessary due to the concurrent ownership between the Small Batch commercial brewery and the retail business, Burger Batch. Mrs. Metz added the brewery currently brews approximately 250 barrels per year.

Mrs. Metz explained staff recommends approval of the exemption with the condition that an independent manager at Burger Batch would have the operational control over the ordering of malt beverages. Also, the exemption will apply as long as the brewery's production remains under 5,000 barrels per year. The brewery must also make a good-faith effort to find an independent, third-party wholesaler to deliver products from the brewery to Burger Batch.
